

On Thursday 28 October 2021, Coface published a press release regarding the Group's consolidated financial results for 9M-2021. The same day, at 18:00 (Paris), Xavier Durand (CEO) and Carine Pichon (CFO and Risk Director) hosted a conference call with financial analysts, which was followed by a question and answer session. The conference call was held in English. Please note that the conference call was accompanied by a complementary presentation in PDF format available below, under the "Financial Reporting" section.
